

Quand le roi est désespéré.

Les arbres finissent de grimper.
Sept vieillards crient Fortissimi,
Les poches pleines,
Leur sang bleu et rouge.
Nous, il nous reste des miettes.
Quand le ciel tombe, il tombe mal.

The illusion of trust
Is just a whisper skilfully played.
Human rights ought to be noble.
When used as a stick,
They are just ink on paper.
When illusions fall, they fall hard.

Een golf komt op ons neer.
Wie slim is blijft staan,
Wie snel is loopt weg.
Wanneer de vloed is geweest,
Liggen dode vissen op het strand.
Als de zee wast, dan wast hij hard.

The ministry of monuments
has run out of glue.

Es sind die *ein*stürzenden *Bauwerke*,
die Menschenleben gefährden.

A is A said Ayn Rand.

Die Welt ist alles was der fall ist.
Der Wahnwitz ist von jeder zeit.

Wovon man nicht sprechen kann,
darüber muss man schweigen.

Wovon man nicht sprechen darf,
darüber muss man rufen.

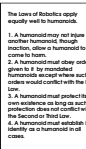

Quand le roi est désespéré,
Le pays tombe en miettes.

Let it not be just wishes for a better future

(Extracts from: The reverse Turing Machine, in argument with Alan Turing, Ludwig Wittgenstein and Ayn Rand).

真相

When the King is desperate.

The trees have stopped growing,
Seven elderly shout Fortissimi.
Their pockets full,
Their blood blue and red.
Crumbs are left for us.
When the sky falls, it falls hard.

The illusion of trust
Is just a whisper skilfully played.
Human rights ought to be noble.
When used as a stick,
They are just ink on paper.
When illusions fall, they fall hard.

A wave comes down on us.
The smart ones remain standing,
The fast ones run away.
When the tide has been
Dead fish lie on the beach.
When the see washes, it washes hard.

The ministry of monuments
has run out of glue.

It is *collapsing buildings*
that threaten human life.

A is A said Ayn Rand.

The world is all that is the case.
Madness is of all times.

Whereof one can not speak,
one must be silent.

Whereof one may not speak,
one must be shouting.

When the King is desperate,
the country is crumbling apart.
